I wish to formally object to this application.

I am a resident of wellhouse lane, the footpaths are very narrow and during peek times cars even mount the foot path.

I have this is a huge safety concern with a extra 75 house this could add 150 extra cars into this extremely busy road.

School time cars are park and hard to pass each other.

My is also and we feel the paths are no good for We have a and have to park on the road to safely get out of the car.
The extra load work vans, trucks in construction let alone the residents living there will cause a unsafe road even more dangerous.
