I am worried re the amount of traffic coming on Hepworth Lane and dispersing - Hepworth Lane is a small lane which I don't think can take this extra traffic - if you try to go down Wellhouse Lane at school time it is gridlocked - around the school it is busy and what about the safety of the children- Greenside Road is so busy especially at rush hour and I worry that the extra 75 or maybe 150 cars from the development will make it even worse - extra noise - extra pollution - This will have a knock on effect when trying to get a doctors and other appointments
