I live with the vicinity of the proposed site, I am in objection of this because for the following things The amount of cars already on the small road around the site, it is already unsafe to drive at certain times around. I already feel that it is unsafe to let my children walk and play out, due to the number of vehicles that already use our road either to park (don't live on our street) or a through road. Not enough NSH doctors and dentists in the area for the residence already in Mirfield Hepworth lane already is very dangerous (the one way section) no pavement or street lights. The area is no equipped to cope with move houses.
