Do you wish your comments to be published on the website anonymously?	Yes
We have recently moved into the area and the first thing we have found is the lack of local services due to Mirfield already being over populated, another 75 house is just unsustainable. We have struggled to find dentists & doctors. This proposed site is very close to Crossley Lane, which already has a problem with water drainage from the local area, the houses downhill from Crossley lane suffer with water run-off, extra houses will only add to the issue.
