The highway department are having a laugh saying theres no problem with the roads which are narrow lanes NOT roads and in a few places 2 cars are unable to pass each other the lanes all around this site is unsuitable as it is never mind for 75 more house plus now taking about building more houses on Welhouse Lane and Flash Lane Is the idea that traffic will just come to a stand still with no one able to move. Plus what about pedestrians lots of school children walking up and down Hepworth Lane without pavements an accident waiting to happen if these houses are allowed to build
