I am writing as a Muslim man, a father, and a long-standing resident of Huddersfield to voice my strong opposition to any proposals threatening the closure of our local mosque and the removal of our Imam. The mosque serves as the absolute pillar of my daily life and a vital center for congregation and community strength. As a Muslim man, it is where I go for daily prayers, stand in unity with my fellow residents, and find support during difficult times. Furthermore, the leadership, counseling, and guidance of our Imam are indispensable to me as a father, helping to teach the next generation discipline, respect, and core values so they grow up to be responsible citizens in the Kirklees borough.
