2026/92751 Former Birkdale High School, Wheelwright Drive, Dewsbury, WF13 4JB

Prior notification for demolition of former school buildings

Date Responded: 14/10/2026
Responding Officer: JD
Responding Ref: CA16

There are no protected trees within the site but some trees protected by Northfields Conservation area border the site.

The proposed tree removals to facilitate demolition are reasonable and the least impactful possible to achieve the demolition. No protected trees are to be removed as part of the demolition.

The submitted tree protection plan for all retained trees sufficiently offers enough protection to all retained trees that there would be no objection from KC trees.
