KIRKLEES COUNCIL

(TRAFFIC REGULATION) (NO.27) ORDER 2021

RAILWAY STREET, DEWSBURY

Statement of reasons for proposing to make the order

Planning permission has been granted for the erection of an extension and alterations to Unit 4 of the The Rishworth Centre Retail Park off Railway Street in Dewsbury.

Before the store can become operational it will be necessary to construct a new signalised pedestrian crossing to replace the existing pedestrian refuge on Railway Street.

The new pedestrian crossing will require traffic signal equipment to be installed causing obstructions in the western footway. As this section of footway does not provide any pedestrian link it is proposed to close it and prohibit pedestrians and ensure they use the new crossing and existing subway.

It is believed these proposals will improve the amenities in the area through which these roads run.
