

KIRKLEES COUNCIL
(TRAFFIC REGULATION) (No.9) ORDER 2017

VARIOUS ROADS IN THE HOLME VALLEY AREA

Statement of Reasons for making the Order

Kirklees Council is currently undertaking an audit of its Traffic Regulation Order system, and this has highlighted some errors in the Orders covering sites in the Holme Valley area.

This Traffic Regulation Order has therefore been made to ensure that the existing restrictions on site are mirrored in the Council's Orders, and are therefore legally enforceable.

It is stressed that there will be no amendments to the existing signing or lining on site – it is only the Orders that have been corrected.
