

Huddersfield TR.No3.Order 2018
Dryclough Road, Crosland Moor and Victoria Road,
Lockwood

Statement of reasons

- **Dryclough Road**

It is proposed to relocate the existing School Keep Clear markings on Dryclough Road to increase visibility at the improved school entrance.

- **Victoria Road**

It is also proposed to introduce short sections of 'No Waiting At Any Time restrictions' on Victoria Road to prevent parking up to the build outs and blocking access along on the road.

It is intended that these proposals will facilitate the free flow of traffic on the roads concerned and improve road safety for all road users.
