

Burn Road, Birchencliffe
Huddersfield
Traffic Regulation Order
“One-Way Traffic Flow”

Schedule

Location	Extents of Restriction	Direction of Travel.
Burn Road, Birchencliffe, Huddersfield.	From a point 58 metres north east of the produced north-eastern kerbline of Rock Road, for a distance of 22 metres in a north-easterly direction.	North-easterly.

Statement of Reasons.

The proposed restriction is required to discourage vehicles from using Burn Road (Birchencliffe) to access Halifax Road (A629). The visibility at the junction is restricted due to the historic arrangement and narrow width of Burn Road. It would seem appropriate to restrict access to the area and a one way traffic flow restriction located as proposed is likely to have that effect.

1. The proposed restriction is intended to avoid danger to persons or other traffic using the road.
2. The proposed restriction will additionally prevent the use of the area by vehicles in a manner which, is unsuitable having regard to the existing character of the road.
3. Please refer to Drg No. HD-25-64543-TRO-3
