

**KIRKLEES COUNCIL
ST. ANDREW'S ROAD, HUDDERSFIELD**

Statement of reasons for proposing to make the Order

Following perceived safety issues at the two zebra crossings on St Andrew's Road immediately north of the junction with Turnbridge Road, Cummins Turbo Technologies wish to fund the conversion of the northern-most crossing to a puffin facility, and remove the southern crossing of the two (a third zebra crossing immediately south of the Turnbridge Road junction is to remain).

It is intended that this Order will address the concerns of the Company involved.
