

# Free driver training for the over 50s

Over 50, and enjoy getting out and about but losing driver confidence?  
Then why not take part in our free driver training course.

Our course could help you:

- reduce the risk of injury
- increase your confidence
- reduce stress levels
- have better fuel economy

It covers:

- new traffic signs
- driving on dual carriageways and motorways
- speed limits
- how to deal with hazards safely
