

Environment Grant Scheme

Grants for local environmental projects

Kirklees Environment Grant Scheme

Aims of the Scheme

The overall aim of the Environment Grant Scheme is to support projects which protect and enhance the environment for the benefit of the people of Kirklees.

Priority will be given to projects that meet one or more of the five objectives below. Examples of past projects funded are also given.

1 Wildlife Habitat Creation and Protection

- Tree, shrub and wildflower planting
- Pond creation

2 Reducing Waste and Pollution

- Community composting
- Recycling projects
- Car-share clubs
- Community clean-ups

3 Promoting Use of the Countryside

- Footpath improvements
- Walks leaflets

4 Raising Awareness of Environmental Issues

- Newsletters
- Training courses
- Environmental education

5 Contributing to Wider Sustainability Issues

Community Environment Grant

A maximum of £1,500 is available to community, voluntary and not-for-profit organisations within the Kirklees district.

Service Support Environment Grant

A maximum of £1,500 is available to Kirklees Council Services to undertake environmental projects which cannot be funded by other means.

How to Apply

Grants of up to £1,500

For both the Community and Service Support Grants, please complete the Project Proposal Form and post it back to Kirklees Council Environment Unit. When it has been checked, we will send you an application form and information pack.

Your group will need to complete the application form and return it to Kirklees Council Environment Unit where it will be assessed at the next available funding decision meeting.

Grants above £1,500

Strategic Funding

Kirklees Council Environment Unit may be able to assist with the core funding of environmental organisations or to support larger environmental projects up to £10,000, within the Kirklees district.

For further information please contact Kirklees Council Environment Unit.
