Dear Applicant,

### RE SHORT BREAKS FOR DISABLED YOUNG PEOPLE SCHOOL HOLIDAYS IN FUNDING YEAR 2012-13 (SUMMER, WINTER AND EASTER)

Thank you for your interest in being part of the Young People's Holiday Activity Programme.

This pack contains:

- Information about the programme we want to commission
- Deadlines for applications and approvals (and assessment panel dates for short break applications)
- Application forms
- Guidance for completing the forms, including frequently asked questions
- Important Information Sheet – please read carefully

Please note part of this funding has been made available through the Kirklees Early Interventions Grant to create additional opportunities for young disabled people in Kirklees. We want to support organisations to deliver universal activities that welcome the inclusion of young disabled people and to deliver more specialist activities specifically for young disabled people.

Applicants targeting activities at disabled young people will also be asked to attend an assessment panel to discuss their application. Applicants are expected to be available for this essential part of the application process, specific appointment times will be sent. Full details are contained in the Frequently Asked Questions section of this pack

For more information please contact Katy Peasley on 01484 225154 or [yps.projects@kirklees.gov.uk](mailto:yps.projects@kirklees.gov.uk) with any queries.

Yours faithfully,

Katy Peasley  
Kirklees Integrated Youth Support Service
