

District Quarters Report

Introduction

This report provides some of the key findings from the 2018 Kirklees Young People's Survey for each of the four Kirklees District Quarters (former District Committee areas): Batley & Spen (B&S), Dewsbury & Mirfield (D&M), Huddersfield (H) and Kirklees Rural (KR). Where bar charts are used, horizontal lines have also been added to represent the Kirklees overall figure (black line) and the two Clinical Commissioning Group areas: North Kirklees (NK, comprising B&S and D&M, blue line) and Greater Huddersfield (GH, comprising H and KR, yellow line). Pupils are allocated to a District Quarter by their home postcode if provided, or school if postcode not provided (the District Quarter in which the majority of pupils at that school are known to live).
