CYCLE FACILITIES APPLICATION FORM

Name:

Service:

Department:

Address:

Phone:

Fax:

Email:

Description of Cycle Facilities (e.g. Cycle Lockers x2)	Purchase Cost (minus VAT)	Installation Cost (minus VAT)	Site (e.g. Estate Buildings)	Location of facilities (e.g. in yard at rear of building)
Totals				
Total amount applied for (£2,500 max)				
Are you applying on behalf of a multi-service occupied building? (e.g. Civic Centre III)				

If YES, which Services will be served by these facilities, and how much will each contribute in terms of matched funding?		
Name of Building (e.g. Civic Centre III):	Services represented	Contribution towards matched funding (£'s)

<p>Please advise the different options that have been considered, indicating which option has been chosen and the reasons for this choice.</p>		
<p>Please outline how the installation will help meet the corporate ambition – reducing carbon listing any potential CO₂ savings (please include your calculations). Please also provide information on the anticipated usage by staff and, where appropriate, visitors. (This information will be required to be captured and reported back after the grant has been awarded for monitoring purposes)</p>		
<p>How will you measure the success of this project?</p>		
<p>Additional information</p>
