Dear Trader

### **Holmfirth Christmas Craft Market 2009 Saturday 28 and Sunday 29 November 2009**

Thank you for your interest in Holmfirth Christmas Craft Market. Please find an application form as requested.

The pricing structure is £22 per stall with no reductions for additional stalls and the stalls are located within the Market Hall building. There will be power available for a limited number of stalls, so please ensure you complete this section of the form if required.

We cannot guarantee that you will have the same stall on both days, however where practicable we will try to accommodate this for ease of set-up etc..

We will contact you to let you know if your application has been successful and confirm arrangements for setting up once it has been assessed. If you have not heard from us within 4 weeks of sending in your application, please contact us to check the status of your application.

We look forward to receiving your completed form by the closing date of Friday 6 November 2009. Cheques payable to Kirklees Council must be submitted with your application, together with your public liability insurance details.

Yours faithfully

**Maria Wilson**
