Introduction
Welcome to this year’s Learning Matters brochure for training courses available between April 2019 and March 2020. As you will see the training current training offer has vastly reduced following central government funding cuts.

This brochure provides you with details of learning and development opportunities and events available to staff within the independent care sector who work with adults.

The brochure contains a list of learning and development opportunities to help develop your skills, competence and knowledge. The brochure also includes information on how to apply for training, confirmation of a place, joining instructions, charges, cancellations, target audience, aims and outcomes expected to be achieved, training dates, times and venues.

How to apply for a training course
Read the information provided and make sure the course content meets your needs. Discuss the course content with your line manager or supervisor and agree what you would like to gain from attending.

First time applications
For 2019/20 when a member of staff applies for a course in the first instance, they must complete an application form (see Appendix 2) and e-mail it to: learning.matters@kirklees.gov.uk.

The same form can be used for more than one person and one course.

Subsequent applications
Once a member of staff has applied for a course using the application form, we will add their details to our booking system. Subsequent training may be applied for by telephoning the Business Support team on 01484 221000 ext 77943. The team will advise of availability and book staff directly on to a course or event without the need for an application form.

Pre-requisites
Some of the courses we offer have specific pre-requisites prior to attending. Please ensure that you have these before applying. These may have been completed with other training companies.

Confirmation of allocated place (course joining instructions)
Once your booking has been completed by the Business Support team, an e-mail will be sent out confirming that a place has been allocated to you. This e-mail contains the course title, date, start and end times, venue and other important information. It is therefore imperative that your contact e-mail address is correct on your booking form. Please ensure that managers share this information with colleagues allowing them to make appropriate travel/child cover arrangements etc.

A reminder e-mail will be sent approximately ten days prior to the start of your course.
Cancellations
If you are unable to attend your course or event, please telephone 01484 221000 ext 77943 as soon as possible or e-mail learning.matters@kirklees.gov.uk. This will help us to allocate your place to someone else. This is particularly important as council resources are very limited and each place has a cost associated with it.

Transfers
If you are unable to attend a course or event, but have identified someone else who can attend the training, please email a transfer request to learning.matters@kirklees.gov.uk.

No shows
Please note training is provided free of charge. However this year charges will be levied against organisations whose staff fail to attend training (this includes colleagues who arrive late and are turned away) or have not given at least a week’s notice regarding cancellation. We will continue to monitor non-attendance (“no shows”) as well as colleagues who cancel within a week. This information is shared with our Contracts Liaison Team. Please help us to avoid costly “no shows” by phoning 01484 221000 ext 77943 as soon as possible. This will help us to allocate your place to someone else.

Late availability
Places on the courses we deliver become available at short notice. When this happens we will publicise accordingly.

Venues
The venues we use for training are as follows:

- Huddersfield Town Hall, Corporation Street, Huddersfield HD1 2TA
- The Homestead, Hurst Knowl, Almondbury
- The Hudawi Centre, Great Northern Street
- Great Northern Street, Huddersfield HD5 8SG
- Huddersfield HD1 6BG
- Dewsbury Town Hall, Wakefield Old Road, Dewsbury WF12 8DG
- Tolson Museum, Ravensknowle Park
- Kirkwood Hospice, 21 Albany Road
- Wakefield Road, Dalton
- Huddersfield HD5 8DJ
- Huddersfield HD5 9UY
- Dewsbury Customer Service Centre, Town Hall Way, Dewsbury WF12 8EE (formerly The Walsh Building)

Arrangements for certificates of attendance
If you require a certificate of attendance you must ensure you ask the tutor for this and they will provide you with the certificate on the day of the course. If you need confirmation of staff attendance then managers can contact our Business Support team who will be able to confirm attendance approximately one week after the course has been completed (once registers have been returned). Please contact the team on 01484 221000 ext 77943.
Contacts
For general information please contact the Business Support team as per above.

David Anker and Bronwynn Bennett are the Kirklees Council officers who work in partnership with the independent sector. They can be contacted as follows:

- telephone David on 07528 988957 or e-mail david.anker@kirklees.gov.uk
- telephone Bronwynn on 07794 217439 or e-mail bronwynn.bennett@kirklees.gov.uk

Delivery on-site
Unfortunately we have had some problems with delivery on-site. Often inappropriate rooms are offered, and we often get poor attendance, which can mean having to provide further courses. We will continue whenever possible to deliver training on site at your establishments, but you must ensure the numbers of staff are as near to capacity for the course and the room is suitable for a minimum of ten people. This can be discussed with David who will help support appropriate arrangements. For further information please see Appendix 1.

The courses which may be delivered in this way for 2019/20 are as follows:

- Dementia – Basic awareness
- Infection control
- Recording skills

Charges
When we are asked by an establishment to deliver training on-site and the training is cancelled by the establishment with less than 14 days’ notice before the date of the planned training, an administration fee of £50 will be charged.

Safeguarding Adults Training Plan 2019/20

The Kirklees Safeguarding Adults Board Training Plan sets out the approach to learning and development activities that are designed to support the implementation of the Kirklees Multi-Agency Safeguarding Adults procedures and the requirements of the relevant guidance, particularly ‘No Secrets’ (DH 2000) and Safeguarding (ADASS 2005).

The courses, dates and venues for the above can be found in the link below:

Appendix 1: Delivering a training course on-site

We recognise that it is not always easy to release staff to attend training sessions and that bringing training to staff can be a cost effective and easier way to ensure staff receive the training they require.

To ensure that training provided on-site is effective and participants have a positive learning experience we require:-

A suitable room:-

- that does not infringe on residents/service users access
- meets with Health and Safety regulations and has been risk assessed for the purpose of a training venue
- is fit for training purposes
- is an adequate size for the number of participants
- with access to power sockets
- an assurance that there will be no interruptions to the training or people called to take a telephone call, people leaving training to deal with a query unless it is an emergency
- the minimum and maximum numbers of staff attending the training to be agreed at the planning stage prior to commencement of training

If you wish to discuss your on-site training needs further, please do not hesitate to contact:

David Anker, Learning and Development Officer on 07528 988957 or e-mail david.anker@kirklees.gov.uk

The list of courses which may be delivered in this way for 2019/20:

- Dementia – Basic awareness
- Infection control
- Recording skills

Please note:

A £50 administration fee will be charged if the training is cancelled by the establishment with less than 14 days' notice before the date of the planned training.
