

# Crosland Moor Pathways to Health

## Walk 1: St Luke's Loop

25 mins approx

Path type: A3

## Walk 1: St Luke's Loop

**Duration:** 25 mins approx.

**Start Point:** St. Luke's Hospital, Blackmoorfoot Road.

Leave St. Luke's hospital via the main entrance, turn right onto Blackmoorfoot Road and head downhill. Turn into Nabcroft Lane, the second road on the left, and continue until a forked junction is reached. From the junction take a right into Sunningdale Road, following the hospital boundary wall on the right.

At the end of Sunningdale Road, ascend 4 steps and continue straight ahead along a path which crosses a grassed area. The path soon becomes more enclosed, passing the Sure Start Centre and school on the right before emerging onto onto Dryclough Road.

Turn right and walk along Dryclough to the junction with Blackmoorfoot Road. From this point turn right again, and head downhill to return to St. Luke's Hospital.

**Path type:** refers to the letter and number in the top corner of each walk card. This describes the most difficult part of the walk in dry weather. The rest of the walk will be easier.

**Surface Quality – A: Smooth: Tarmac, paving or similar**

**Gradient – 3: Fairly Steep: Up to 1:12**

## Walk 2: Foster Avenue Field Circular Walk

30 mins approx

Path type: B2

## Walk 2: Foster Avenue Field Circular Walk

**Duration:** 30 mins approx.

**Start point:** Balmoral Avenue Roundabout

From the roundabout proceed along Balmoral Avenue towards Beaumont Park. Take the fifth road on the left which is Foster Avenue. Approximately 40 metres along Foster Avenue turn left by a metal barrier onto a broad grassed area leading to a playing field.

Upon reaching the playing field head diagonally across and slightly downhill towards a detached stone building. From this building follow the access road between two bungalows to emerge on Dryclough Avenue.

Follow Dryclough Avenue until it meets Dryclough Road. From this point turn left, and continue to the junction of Dryclough Road and Blackmoorfoot Road. Turn left again, walking along Blackmoorfoot Road for approximately 40m, looking for the entrance of William Horsfall Street on the left, opposite a small supermarket.

Once on William Horsfall Street take the first right, following Dalmeny Avenue slightly uphill to return to the starting point at Balmoral Avenue Roundabout.

**Path type:** refers to the letter and number in the top corner of each walk card. This describes the most difficult part of the walk in dry weather. The rest of the walk will be easier.

**Surface Quality – B: Quite Smooth: Short even grass, compact stones, earth or similar**

**Gradient – 2: Fairly Steep: Up to 1:12**

For more information about **Walking Your Way to Health**, contact the Physical Activity Development Team on 01484 234095.

## Walk 3: Circular to Beaumont Park

45 mins approx

Path type: A2

## Walk 3: Circular to Beaumont Park

**Duration:** 45 mins approx.

**Start point:** Corner of Foster Avenue and Balmoral Avenue

From the start point at the corner of Foster Avenue and Balmoral Avenue walk downhill along the length of Foster Avenue, turning right at the end onto Dryclough Road. Continue along Dryclough Road, carefully crossing Woodhouse Road and Beaumont Park Road to enter the park via a small entrance directly opposite to the end of Dryclough Road.

Once in the park turn right and follow the broad path as it passes to the left of the main entrance and The Lodge. This broad path continues through the park passing the bandstand and eventually arriving at the park entrance on Butternab Road.

*There are many more paths which may be explored in Beaumont Park. For more details please see the information board and maps available at the Visitor Centre adjacent to the main entrance. Please note some of these paths are quite steep and uneven.*

From the park entrance turn right following Butternab Road as it becomes Balmoral Avenue and eventually returns to the starting point at the junction with Foster Avenue.

**Path type:** refers to the letter and number in the top corner of each walk card. This describes the most difficult part of the walk in dry weather. The rest of the walk will be easier.

**Surface Quality – A: Smooth: Tarmac, paving or similar**  
**Gradient – 2: Quite Gentle: Up to 1:16**

For more information about **Walking Your Way to Health**, contact the Physical Activity Development Team on 01484 234095.

# Crosland Moor Pathways to Health

## Walk 4: The Quarry Walk

35 mins (short walk), 55 mins (long walk) approx.

Path type: D3

**Path type:** refers to the letter and number in the top corner of each walk card. This describes the most difficult part of the walk in dry weather. The rest of the walk will be easier

**Surface Quality – D: Rough: Long grass, loose gravel or lots of ruts and stones**

**Gradient – 3: Fairly steep: Up to 1:12**

For more information about **Walking Your Way to Health**, contact the Physical Activity Development Team on 01484 234095.

## Walk 4: The Quarry Walk

**Duration:** 35 minutes short walk, 55 minutes long walk approx.

**Start Point:** Corner of Sutherland Drive and Balmoral Avenue

Starting at the corner of Sutherland Drive and Balmoral Avenue walk to the end of Sutherland Drive and turn right onto a dirt track. After approximately 30 metres turn left on to an adjoining track between two stone walls. Follow this track, which may be muddy as it snakes around the ruin of Thewlis Lane farm to emerge on Thewlis Lane itself.

Turn left walking along Thewlis Lane for approximately 250 metres, looking for a newly constructed path to the quarry on the right and a sign marking a public footpath on the left.

**For the shorter walk** follow the public footpath which may be muddy, stony and rutted in places downhill to Woodside Road. At the junction with Balmoral Road turn left and return to the start point at the corner of Sutherland Drive.

**For the longer walk** follow the path right hand quarry path as it skirts the quarry and passes through a stone kissing gate. At this point bear left, keeping the quarry wall on the right hand side until a fork and a large flat stone in the centre of the path is encountered. From here take the left fork through a rocky and rutted section of path to meet Nether Moor Road.

Turn left and follow the road for approximately 150m looking for a large wooden gate with metal gateposts on the right. Go through the grassy field beyond the gate, passing through Huddersfield's "Stonehenge" and heading for two rocks positioned at the far right hand corner of the field. Follow the path beyond the rocks as it passes alongside some houses, then turns and meets another path opposite to a stone wall.

Turn right at the junction of paths and follow downhill to emerge onto Woodside Road. At the junction with Balmoral Road turn left and return to the start point at the corner of Sutherland Drive.
