

Privacy Notice (How we use your information)

Waste and Recycling Services – privacy notice

The waste collection service is possibly one of the few services operated by the authority that impacts on all households in the borough as we have a duty to provide a collection service to all domestic properties. We also offer several different trade waste collection services to businesses and schools across the district. Examples of services we deliver include, but are not limited to:

- Domestic waste and recycling kerb side collections
- Bulky household waste collections
- Garden waste collections
- HWRC permit administration
- Assisted domestic waste collections
- Clinical waste collections
- Recycling advice
- Trade waste and recycling collections
- Issuing Duty of Care waste transfer notes

This Privacy Notice sets out how we use your personal information, in relation to the services listed above. The council is committed to meeting its data protection obligations and handling your information securely. You should make sure you read and understand this notice before submitting your information to Kirklees Council.

The categories of information that we collect, process, hold and share include:

The personal information which we collect for most of our waste and recycling services includes:

- Name
- Address
- Telephone number
- Email address

In specific circumstances we also collect financial details to allow payment for applicable services (e.g. bulky waste collections, garden waste collections & Trade waste and recycling collections). We also collect information about the number of people in your household (e.g. in order to receive an additional bin). To effectively administer our HWRC tip permits we will collect your Vehicle Registration Mark (VRM).

Special category personal information, such as health data, may be required for assisted collections or to receive an additional bin on medical grounds.

Please note that we do not specifically request any other personal information, however, it is possible that additional personal or sensitive information may be included within any

supplementary information which you send to us. We strongly advise that you read through, in full, any information before you send it to us to ensure that there is no additional personal or sensitive information included (other than that set out above).

Why we collect and hold this information

We use this personal information to:

- Provide you with feedback and updates about the service relating to your enquiry which includes but is not limited to missed bin collections, resident / customer complaints, changing the size of your bins and damaged containers.
