Before I go to the library hub

I'm going to Huddersfield Library Hub.

About the library hub

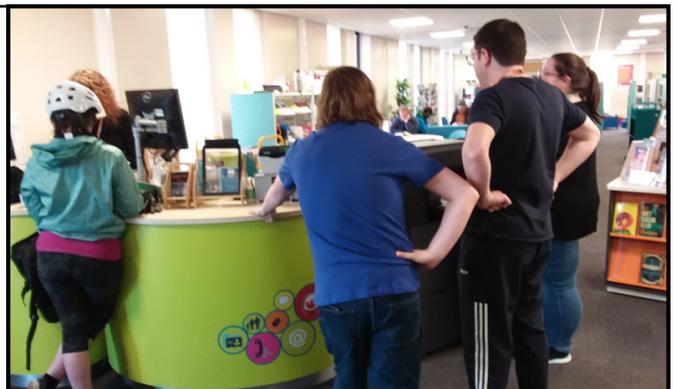

There are people who work at the library hub who I can talk to.

The library hub is usually a quiet place where people talk quietly, relax, and read books.

Sometimes it might be noisy. If it's noisy, I can talk to a member of staff.

How do I become a member of the library?

When I get to the library hub I will see a desk.

I will talk to a member of staff to help me become a member of the library.

I will tell them my name, address, date of birth, telephone number and email address.

Then I will be given a library card and talked to about how to borrow books and use the computers for free.

When I visit the library hub

In the library hub there will be shelves of books.

I can sit in a chair to read a book.

I can borrow books and take them home with me.

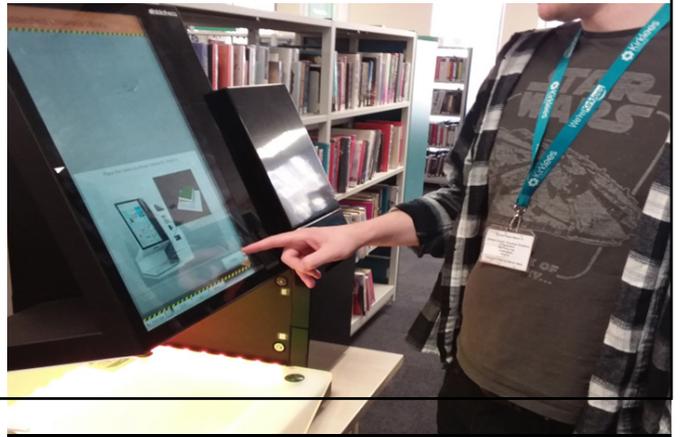

If I want to borrow a book I will talk to a member of the library hub staff.

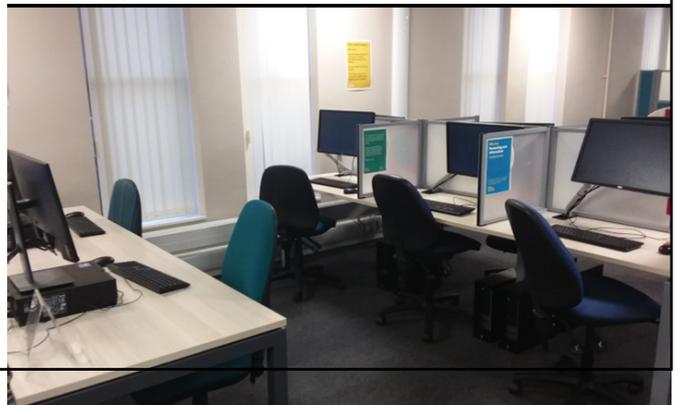

When I visit the library hub

A member of staff will show me how to borrow my books and tell me when I need to bring them back to the library hub.

The library hub will also have Wi-Fi and computers I can use for free.

To use the computers, I will need to talk to a member of staff.

There are toilets I can use in the library hub.

I can visit the Children's library

This is where I can borrow children's books, take part in a craft or story time event.

There are baby changing and feeding facilities I can use in the library hub.

There are toilets I can use in the library hub.

When I have finished

When I have finished,
I will leave the library
hub.

Thank you for using our Social Story.
