

Normstahl Georgian door. Normstahl doors feature retractable up and over doors.

02/62/91879

An increasingly popular option is the fully galvanised Normstahl door. These feature 2 point locking with four point security and are available in plastic coated brown or white. This unique retracting up and over door is maintenance free and comes with a ten year manufacturers guarantee.

 PLANNING

Double garage. Pent roof with timber personal door 8' wide Normstahl doors. Personal doors are available up to 4' wide including frame for ease of access.

Where a pent roof double garage is requested, either a clear open span or a centre dividing wall can be specified. With the clear span option the roof is supported by a steel girder on girder legs. In the case of the centre wall, 3" (75mm) should be added to the base width. Either choice is available at no extra cost.
