Town and Country Planning Act 1990

Town and Country Planning (Development Management Procedure) (England) Order
2010

PLANNING PERMISSION FOR DEVELOPMENT

Application Number: 2013/62/90991/W

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby permits:-

ERECTION OF REAR EXTENSION

At: 43, PROSPECT ROAD, LONGWOOD, HUDDERSFIELD, HD3 4UY

In accordance with the plan(s), documents and application submitted to the Council on 27-Mar-2013, except as amended or specified, details of which can be found in the table below and subject to the condition(s) specified hereunder:-

1. The development hereby permitted shall be begun within three years of the date of this permission.

Reason: Pursuant to the requirements of Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be carried out in complete accordance with the plans and specifications listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.

Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, and to accord with Policies D2, BE13 and BE14 of the Kirklees Unitary Development Plan.

3. The external walls and roofing materials of the extension hereby approved shall in all respects match those used in the construction of the existing building.

Reason: In the interests of visual amenity and to accord with Policy BE13 of the Kirklees Unitary Development Plan.

4. Notwithstanding the provisions of section 55(2)(a)(ii) of the Town and Country Planning Act 1990 and the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking or re-enacting that Act or Order with or without modification) no new door or window openings other than those expressly authorised by this permission shall be constructed in the external walls of the extension at any time without the prior written approval of the local planning authority.

Reason: So as not to detract from the amenities of adjoining property by reason of loss of privacy and to accord with Policy BE14 of the Kirklees Unitary Development Plan.

5. In the event that contamination not previously identified by the developer prior to the grant of this planning permission is encountered during the development, all works on site (save for site investigation works) shall cease immediately and the Local Planning Authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the Local Planning Authority, works on site shall not recommence until either (a) a Remediation Strategy has been submitted to and approved in writing by the Local Planning Authority or (b) the Local Planning Authority has confirmed in writing that remediation measures are not required. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures. Thereafter remediation of the site shall be carried out and completed in accordance with the approved Remediation Strategy.

Following completion of any measures identified in the approved Remediation Strategy a Validation Report shall be submitted to the Local Planning Authority. Unless otherwise agreed in writing with the Local Planning Authority, no part of the site shall be brought into use until such time as the whole site has been remediated in accordance with the approved Remediation Strategy and a Validation Report in respect of those works has been approved in writing by the Local Planning Authority.

Reason: To ensure the safe occupation of the site in accordance with Policy G6 of the Unitary Development Plan.

NOTE: All contamination reports shall be prepared in accordance with CLR11 and the Council's Advice for Development documents or any subsequent revisions of those documents.

NOTE: To minimise noise disturbance at nearby premises it is generally recommended that activities relating to the erection, construction, alteration, repair or maintenance of buildings, structures or roads shall not take place outside the hours of:

07.30 and 18.30 hours Mondays to Fridays

08.00 and 13.00hours , Saturdays

With no working Sundays or Public Holidays

In some cases, different site specific hours of operation may be appropriate.

Under the Control of Pollution Act 1974, Section 60 Kirklees Environment and Transportation Services can control noise from construction sites by serving a notice. This notice can specify the hours during which work may be carried out.

NOTE: If bats are found to use these structures DEFRA will need to be contacted. All species of bat in Britain are protected under UK and European legislation (Wildlife and Countryside Act 1981 and the Conservation (Natural Habitats &c.) Regulations 1994. It is illegal to kill, injure or disturb bats, obstruct access to bat roosts or damage or disturb bat roosts. Under the law, a roost is any structure or place used by bats for shelter or protection. Because bats tend to re-use the same roosts year after year, the roost is protected whether or not bats are present at the time.

- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

In these circumstances, the owner may serve a purchase notice on the Council
This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter I of Part VI of the Town and Country Planning Act 1990.
