Re: 7 Tinker Lane, Meltham, Holmfirth

HD9 4EX

Dear Ms. Jackman,

I enclose 2 sets of revised plans showing an increased size of extension to give a 6m long garage which is 3m wide for the front half and approx. 2.700 wide for the back half.

Hopefully this will be acceptable.

Please phone me to confirm this.

Please also note I'm on hols the first week in October.

Yours Sincerely
