Dear Sir

Thank you for your application. We will now examine the application form and accompanying plans and documents to check whether the application complies with the statutory requirements. If we find at a later date that the application does not comply with these requirements, or that the correct fee has not been paid (or for any other reason), we will tell you as soon as possible. **This means that your application would be 'incomplete' and an amended target date calculated once the necessary information had been received.**

If by 08-Jan-2015 you have: (1) not received notification that your application is incomplete, and the authority dealing with your application have not given you notice of the decision: (2) not agreed in writing that the period within which a decision shall be given may be extended, you may appeal to the Secretary of State by notice sent within six months from that date (unless the application has already been referred by this authority to the Secretary of State) or 8 weeks in the case of advertisements * **please see page 3 for note regarding enforcement notices.** Planning Appeals can be made online at www.planningportal.gov.uk/pcs or in writing on a form that must be obtained from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN. NOTES

1. *Decisions on most planning applications are delegated to Senior Officers. However, under the Council's Standing Orders, applicants and/or their agents, and members of the public may address the Planning Committee if Members of the Council are to make the final decision on the proposal. For more information about this, please contact the Officer dealing with this application.*
2. *Applications for planning permission are an entirely separate matter to applications for building regulations approval. As planning permission may be refused despite the issue of an approval under building regulations (or vice versa) the local authority cannot accept responsibility for the consequences if work is commenced before planning permission and any necessary building regulation approval have been obtained. Notification of any building regulation decision will generally be received before a related planning application has been determined even if both applications are submitted at the same time.*
3. *If the land which is the subject of the application lies within the Peak District National Park the application will be passed to the Peak Park Planning Board for determination.*
4. *It would be appreciated if you would quote the application number which appears above in any further correspondence.*
