12th February 2016

To Whom It May Concern,

Grade II Listed
Date Listed 29th September 1978

Application No: 2016/90049

Proposal: External Seating

Site Address: Turtle Bay, 50 Kings Street, Huddersfield, HD1 2QT
The building is located on the corner of Zetland Street and King Street. The external seating area is situated on the pavement of Zetland Street.

The external seating area covers 41 sq m and will including seating for 40 people.

We propose to have freestanding glass barriers within an aluminum frame to sit within the licensed area and protected the seating. Two large freestanding umbrellas will sit in the center of the space, and when open sit in line with the glass barriers. The freestanding bench seating will be placed in the corners of the space, with a mixture of loose chairs and table to the center. This design retains the public walkway and provides a comfortable seating area with views in and out, while being protected from the elements. All freestanding benches (excluding cushions), loose furniture, barriers and umbrellas will remain outside over night.
