Investment & Regeneration

Date: 09-Feb-2016  
Our Ref: 2016/90449

Dear Mr.Windle

### **TOWN AND COUNTRY PLANNING ACT 1990** **Town & Country Planning (Tree Preservation)(England) Regulations 2012**

#### **Work to TPO(s) 33a/96**

I acknowledge receipt of your application of 08-Feb-2016 for the above application. The Council have 8 weeks to issue a decision and you should receive a copy of this on or before 04-Apr-2016.

If you have any questions in relation to the application then please contact the trees team on 01484 414909 or via e-mail to [trees.planning@kirklees.gov.uk](mailto:trees.planning@kirklees.gov.uk). Please quote application number 2016/90449 in all correspondence with us.

An officer of the Council will visit site to assess your application. Due to the large number of applications received, tree officers make multiple site visits in a day, and so are unable to make booked appointments. They will therefore enter your property to view the trees - your application is taken as an invitation to do so and the legislation permits this.

The full details of your application are set out below.

|                                                                                                                                                                                     |                                                                                                                                               |                                          |                                    |
