Dear Mr Hopwood

Non-Material Amendments to Planning Application No. 2016/61/90613/W: Peat Pond Farm, Lindley Moor Road, Lindley Moor, Huddersfield, HD3 3TD
Planning Portal Ref: PP-05155242

Please find enclosed an application for non-material amendments in respect of the above scheme which received planning approval on 9 May 2016.

The application comprises: the Application Form, duly signed and dated; a Cheque for the Application Fee, , which is to follow and for which we would be grateful for a receipt; and the following drawings and information:

- Floor Layout Plan M2934-100P
- Elevations M2934-101J

The proposed changes, for which approval as non-material amendments is sought, are:

- The surface level loading doors and exit door on the south west elevation have moved over one bay; and
- The internal office layout has changed slightly which in turn has revised the windows slightly on the north west and north east elevations.

I hope you will agree that the repositioned doors will make no difference overall and that the additional windows will actually help add further interest to the elevation and you will support the modifications to the approved scheme.

We trust the enclosed is sufficient to validate the application but if you have any questions or would like to discuss the application please do not hesitate to contact me on 01422 376821.
