Dear Sir

Thank you for your application received on 04-Jul-2016 and considered valid on 04-Jul-2016.

If by 29-Aug-2016 you have not been given a decision in writing and:

- you have not been told that your application is invalid because it is subsequently found not to comply with the statutory requirements; or,
- you have not been told your cheque has been dishonoured; or
- you have not agreed in writing to extend the period in which the decision may be given,

then you can appeal to the Secretary of State by notice sent within six months from that date (unless the application has already been referred by this authority to the Secretary of State) or 8 weeks in the case of advertisements.

\* **please see page 4 for note regarding enforcement notices.** Planning Appeals can be made online at [www.planningportal.gov.uk/pcs](http://www.planningportal.gov.uk/pcs) or in writing on a form that must be obtained from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN. **NOTES**

1. *Decisions on most planning applications are delegated to Officers. However, if Members of the Council are to make the final decision on the proposal at a Planning Committee, then applicants and/or their agents and members of the public may address the Planning Committee. For more information about this, including the requirement to pre-register your intention to address a Planning Committee, please contact the Officer dealing with this application.*
2. *Applications for planning permission are an entirely separate matter to applications for building regulations approval. As planning permission may be refused despite the issue of an approval under building regulations (or vice versa) the local authority cannot accept responsibility for the consequences if work is commenced before planning permission and any necessary building regulation approval have been obtained. Notification of any building regulation decision will generally be received before a related planning application has been determined even if both applications are submitted at the same time.*
3. *If the land which is the subject of the application lies within the Peak District National Park the application will be passed to the Peak Park Planning Board for determination.*
4. *It would be appreciated if you would quote the application number which appears above in any further correspondence.*
