NOTES

1. *Decisions on most planning applications are delegated to Officers. However, if Members of the Council are to make the final decision on the proposal at a Planning Committee, then applicants and/or their agents and members of the public may address the Planning Committee. For more information about this, including the requirement to pre-register your intention to address a Planning Committee, please contact the Officer dealing with this application.*
2. *Applications for planning permission are an entirely separate matter to applications for building regulations approval. As planning permission may be refused despite the issue of an approval under building regulations (or vice versa) the local authority cannot accept responsibility for the consequences if work is commenced before planning permission and any necessary building regulation approval have been obtained. Notification of any building regulation decision will generally be received before a related planning application has been determined even if both applications are submitted at the same time.*
3. *If the land which is the subject of the application lies within the Peak District National Park the application will be passed to the Peak Park Planning Board for determination.*
4. *Please quote the application number which appears above in any further correspondence.*
