<b>PNC Reference No:</b>	WK/201621791
<b>Name of Planning Officer dealing with the matter:</b>	William Simcock
<b>Application Number:</b>	2016/93008
<b>Proposed Development:</b>	Erection of flue for dust extraction system (within a Conservation Area)
<b>Location:</b>	Unit 1, Linthwaite Business Centre, Manchester Road, Linthwaite, Huddersfield, HD7 5QS
<b>Date Required By Planning:</b>	

<b>COMMENTS</b>			
<p>Following correspondence with Glenn Wakefield I understand that the site will now be B1 / B8 rather than the B2 which was originally proposed.</p> <p>Given that the dusk extraction system was planned with the change to B2 in mind, the application is now defunct.</p> <p>In any event the noise levels associated with this system were inappropriate for the residential setting of this site.</p>
