Planning application: front fence at

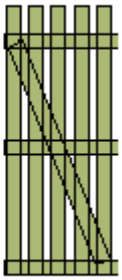

1 Mereside, Fenay Bridge, Huddersfield HD5 8SX

Elevation of the fence in 1:50 scale

This is a drawing of one fence panel measuring 1.8 metres high and 1.8 metres wide. The whole front enclosure will be made of these panels except for the gates, which will be essentially the same look plus diagonal beams for stability.

Elevation of gates in 1:50 scale

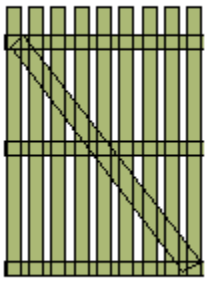

Photo of such fence nearby separating the estate this house is on from the public footpath leading to Morrisons
