**KIRKLEES COUNCIL HEREBY CERTIFY THAT ON 24-OCT-2016 THE USE

- (2) It certifies that the use specified in the First Schedule taking place on the land described in the Second Schedule would be lawful on the specified date and, thus, was not liable to enforcement action under Section 172 of the 1990 Act on that date.

Any use which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
- (4) The effect of the certificate is also qualified by the proviso in Section 192 (4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
- (5) If the applicant is aggrieved by the decision of the Local Planning Authority to issue a certificate of lawfulness of development, for any part development applied for (including any modification or substitution of the description of the use), s/he may appeal to the Secretary of State in accordance with Sections 195 and 196 of the Town and Country Planning Act 1990 (as amended).
