This application seeks approval to erect a fence with a gate at 4 Ingleton Road, Newsome.

The 1.8m fence with a gate would replace a hedge which has grown to approximately 2.5m in height and currently grows out over the footway.

The property is on a sharp bend, and while the fence would restrict drivers' vision of on-coming vehicles, it would be an improvement on the existing sight line afforded by the hedge and remove any requirement to maintain the vegetation to an acceptable standard.

There have been no reported injury accidents on Ingleton Road in the past five years.

These proposals are considered acceptable from a highways point of view and Highways DM has no wish to resist the granting of planning permission.
