Dear Sir/Madam

**TOWN AND COUNTRY PLANNING ACT 1990  
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) (ENGLAND)  
ORDER 2015 SCHEDULE 2, PART 1, CLASS A.1 (g)  
AT: 56, Spen Valley Road, Ravensthorpe, Dewsbury, WF13 3EZ  
Prior notification for single storey rear extension**

I write to acknowledge receipt of your notification of the details as described below for the works to above address which was received by the Local Planning Authority on 20-Mar-2017.

The proposal is for erection of single storey rear extension. The extension projects 5m beyond the rear wall of the original dwellinghouse. The maximum height of the extension is 3.75m, the height of the eaves of the extension is 2.5m

The development may be begun upon one of the following:

- a) the receipt of this Authority's written notice that prior approval is not required;
- b) the receipt of this Authority's written notice giving prior approval; or
- c) the expiry of 01-May-2017 without this Authority notifying you as to whether prior approval is given or refused.

Please note that all future correspondence from this Authority will be by e-mail unless you specifically request otherwise.

If approval under the Building Acts is required for the development, you should ensure that such approval has been obtained before carrying out any works.

If the extension is to a listed building then listed building consent will be required from this Authority.

It would be appreciated if you would quote **2017/90937** in the event of any enquiries.

**TOWN AND COUNTRY PLANNING ACT 1990  
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) ORDER 1995  
56, SPEN VALLEY ROAD, RAVENSTHORPE, DEWSBURY, WF13 3EZ  
Prior notification for single storey rear extension**

I am writing to let you know that on 20-Mar-2017 this Authority has received notification of a proposal to extend the dwelling adjoining your premises as follows:

The proposal is for erection of single storey rear extension. The extension projects 5m beyond the rear wall of the original dwellinghouse. The maximum height of the extension is 3.75m, the height of the eaves of the extension is 2.5m

You may view the information submitted and comment if you want by searching or quoting application number **2017/90937** in either of the following ways:

- online using our website [www.kirklees.gov.uk/planning](http://www.kirklees.gov.uk/planning); you can use a computer at your local library or information centre for this if you do not have one at home.
- viewing an electronic version of the file at our offices at Civic Centre 3, Huddersfield between 10am and 4pm Monday to Friday.

This is a notification, not a planning application, and therefore the Council is limited to consideration of whether the impact on the amenity of all adjoining properties is acceptable. No other issues can be considered. If you wish to make comments on the application you should do so by:

- using the link from the application details on the website [www.kirklees.gov.uk/planning](http://www.kirklees.gov.uk/planning)
- e-mailing your comments to [dc.admin@kirklees.gov.uk](mailto:dc.admin@kirklees.gov.uk)
- writing a letter to the above address

**Please quote the application number 2017/90937 in any contact with us.**

If you have any questions then please phone one of our customer advisers at Kirklees Direct on 01484 414746. Please bear in mind that we can only consider comments we receive in writing or by email: you can not comment by phone.

We must receive any comments **by 10-Apr-2017**. **If your comments are received late, the application may have already been determined.** Any comments received after this date will not be taken into consideration. Should no comments be received the development may be carried out in accordance with the submitted details after 01-May-2017.

All comments will be given careful consideration, but the Council must weigh any comments received alongside all the relevant planning considerations in making a decision. The Council can only consider the effect on the amenity of adjoining properties. You should not assume that an
