**Subject:** 2017 91361 Cross Lane, Scholes

The wide straight link to the play area is supported, and we would look for this to be surface and secured as part of the section 38.

However prow would object to the visitor parking space in front of this link

Prow welcomes the addition of the footway to Ryecroft Lane

PROW - pre-app 2016-20324 Cross Lane, Scholes

The proposed path link to the play area is supported. Boundary treatment to separate from plot 21 would be advisable to distinguish and assist defensible space.

New footway is only proposed on Cross Lane to the east of the main access – it is suggested that a new Cross Lane footway also be required to be provided to the west of the new main site access, extending to Ryecroft Lane/Longley Edge Road junction.
