Dear Mr Fletcher

Thank you for the amended plans for the above site.

As I have now taken over this case I would like to undertake a site visit to view the site, and the interior of the building. Please can you let me know when I would be able to do this please. It is imperative to my understanding of the scheme that I am able to see inside the building as well as the external structure and ground works.

With kind regards

Teresa Harlow

Good Morning

My apologies for continued delays,my client works for the majority of his time out of the country.I attach plans detailing the various steps and paths on site.I confirm that the existing gated access as shown is an historic access point.

Regards

Phil Fletcher
