

Consultation Response: Kirklees Council Conservation & Design (Biodiversity)

<i>Is this a response to an informal consultation request?</i> Yes ☐ No ☒	
Date	19/07/2017
Officer responding	Tom Stephenson
Application number	2017/91748
Purpose	Initial consultation response
Location	113, Westfield Lane, Wyke, BD12 9LY

Assessment and Recommendation

There are no known ecological constraints at this location and, unless you are particularly concerned that the building may be suitable for roosting bats, no supporting ecological evidence is required to determine the application.

Suggested Condition(s)

Ecological enhancement in line with chapter 11 of the NPPF could be provided by the inclusion of bird nest boxes in the proposals.
