Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, and to accord with Policies D2, BE13 and BE14 of the Kirklees Unitary Development Plan and Policy PLP24 of the Publication Draft Local Plan.

5. Notwithstanding the provisions of section 55(2)(a)(ii) of the Town and Country Planning Act 1990 and the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking or re-enacting that Act or Order with or without modification) no new door or window openings other than those expressly authorised by this permission shall be constructed in the external walls of the extensions at ground floor level at any time.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision to impose planning conditions then you must do so within 6 months of the date of this notice.

- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice.

- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://www.gov.uk/planning-inspectorate. - You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

In these circumstances, the owner may serve a purchase notice on the Council
