DISCHARGE OF CONDITION A.4 , SCHEDULE 2, PART 1, CLASS A GENERAL PERMITTED DEVELOPMENT ORDER

This proposal relates to development pursuant to Class A where condition A.4 is engaged and for the purposes of this assessment only the limitations for Class A.1 (ea) and requirements condition A.4 are considered. Other limitations within Class A are not considered other than where, in the opinion of the Local Planning Authority, the development does not comply with the limitations within Class A of the Order. Ultimately the responsibility to ensure the development is carried out in full accordance with any planning permission rests with the applicant or property owner/occupier.

Condition A.4

As part of the notification procedure, the Local Planning Authority notify owners or occupiers of adjacent premises of the proposed development by serving notice and allowing 21 days for objections to be made. The Local Authority shall take into account any representations made as a result of the notice given.

Consultation start date : 11/10/17

Consultation end date : 1/11/17

2. Objections

No objections received

2. Assessment

No requirement to assess as no objections received

*****Note***** For the extension to meet the requirements of permitted development, a gap of 25mm, as suggested by the Agent, should be left between the two extensions where the rear projection of the dwelling steps back. This is to accord with requirement A.1 (J)(ii) where the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse and the extension would have a width greater than half the width of the original house.

3. Recommendation

Prior approval is not, therefore, required.
