Northorpe Hall Trust, 53, Northorpe Lane, Mirfield, WF14 0QL

Prow objects to this application

The access to the site is public footpath Mirfield 12. No consideration is given to the increase in vehicular traffic and how this will impact on the pedestrian using the route

The area to be used for parking has a public footpath Mirfield 13 through it and the alignment of the footpath appears to be where the access to the parking is. It is also proposed to install a gate at the location where the public footpath leaves the track. Prow would object to any gate on this public footpath.
