**Former Coach & Horses Inn, Eastgate, Honley
Change of use of first floor to A4 wine bar with formation of new access to the building**

I have no comments adverse to the approval of this planning application.

I would however, advise the applicants that an appropriate CCTV system should be installed that covers entrances to the building, public areas within the building and the car parking area.

I would be happy to give further advice on this, and other crime prevention guidance to the applicants, if they require it.
