Hi All,

Further to our meeting with Neil and Jamie this morning please find supplementary drawing showing improvements to the entrance and demonstration of vehicle turning within the parking area.

We can also confirm that numbers will be a maximum of 15 at any one time and not 30 as previously advised.

These will be children from schools most of the time so will not be creating vehicular movements.

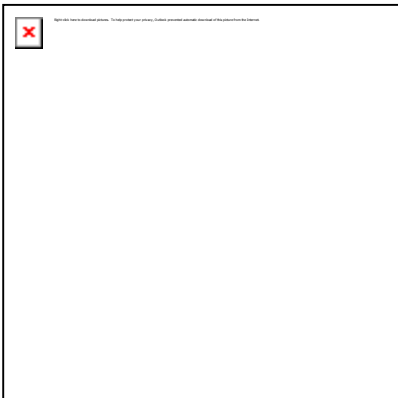

Other than temporary wc's there will be no deliveries to site.

Food and drink will be brought by the 'pupils'.

There will be no bin collections - pupils will be advised to take rubbish away with them to encourage keeping the countryside tidy.

Look forward to hearing from you.

Kind regards  
Steve Mitchell
