***Kirklees Building Control***

***I have included a copy of existing drawings from the house construction and I have marked in red pen the proposed extension to the rear of the kitchen.***

***The extension is single story with a pitched roof and two valux roof windows and patio doors .  
Material of construction is the same s the existing building artificial Bradstone and cones also  
artificial stone roof tiles.***

***I have included structural calculations for the internal work.***

***I hope I have provide enough information***

***Best Regards***

***Mark Sykes***
