PROW - 2018/90493 Greenside Avenue

Thanks for the consult.

Please add a footnote.

FOOTNOTE The council is in receipt of an application for an definitive map modification order to record a public footpath across the site. Planning permission does not extinguish any such rights which may exist. Further details from the PROW unit. ### Comment

The application submissions identify that any access issues connected with the proposed footpath shown in application drawings are to be considered and dealt with at reserved matters stage. It is therefore understood that the “access” subject to the outline application is solely the site connection with Greenside Avenue. If this is not the case, then additional information about the proposed path would be required at this stage.

Giles
