

Memo to Planning

**Town and Country Planning Act 1990
Comments on Application No 2018/90796**

**Erection of porch extension
Bell Cottage, 16 Jagger Lane, Kirkheaton, Huddersfield, HD5 0QZ**

Bell Cottage lies about 242m away from site EA1036. This site currently holds a WML (No 61025) as far as I am aware, this is superintended by the Environment Agency. You should apply to the EA for any up-to-date landfill gas readings at EA1036. The address also lies 234m away from private site 208A which still could be active, The only data for this site is Unknown type of waste and approx 4m depth with no KC Monitoring at present.
