

Supporting Information – Changes to Proposed Materials

1. **Doors** - It currently states that the door will be composite, we would like it to be Sapele solid hardwood with glass as the existing door.
2. **Roof** - It currently states that the roof slates will be natural stone - We would like them to be artificial stone slates to match the existing slates
3. **Windows** - It currently states that the windows will be uPVC - we would like them to be Sapele solid hardwood to match the existing door.
