Dear Mr Batten

TOWN AND COUNTRY PLANNING ACT 1990
Town & Country Planning (Tree Preservation)(England) Regulations 2012

Works to trees in CA within Conservation Area ALMONDBURY

I acknowledge receipt of your application of 15-May-2018 for the above. The Council have 6 weeks to process your application and will endeavour to make a decision on or before the 26-Jun-2018.

If you have any questions in relation to the application then please contact the trees team on 01484 414909 or via e-mail to trees.planning@kirklees.gov.uk. Please quote application number 2018/91591 in all correspondence with us.

An officer of the Council will visit site to assess your application. Due to the large number of applications received, tree officers make multiple site visits in a day, and so are unable to make booked appointments. They will therefore enter your property to view the trees - your application is taken as an invitation to do so and the legislation permits this.

The full details of your application are set out below.
