

TO THE PLANNING SERVICES,
PLANNING REF, "2018/91661"

- 7 AUG 2018

MY OBJECTION IS POLLUTION, WE HAVE SO MANY CARS NOW IN HECKMONDWIKE, FUMES AND NOISE - CONGESTION ITS NOT VERY NICE.

THE CONGESTION NOW IS BAD, PEOPLE ARE DUMPING RUBBISH NOW ON ST JAMES ST THERES AN OLD FRIDGE BEEN THERE MONTHS PEOPLE ARE NOW PUTTING BOTTLES IN THE FRIDGE AS ITS BEEN TURNED OVER. SO I HATE TO THINK OF THE FUTURE, ALSO NO GREEN SPACE, TREES, FIELDS, AND WILD LIFE. THE ENVIRONMENTAL IMPACT WILL BE BAD, MORE ASMATIC'S - CHEST PROBLEMS, ACCIDENTS, DUMPING RUBBISH.

THANKING YOU

STOP!!! THE DESTRUCTION OF Heckmondwike RAILWAY CUTTING!!

This is a **NEW APPLICATION**, and we need YOU and all in your household to write in.

If granted, the traffic from this development is likely to add at least 120 more cars during rush hours to Heckmondwike's already congested roads.

During construction *Heavy Lorries* will be coming up your street every day. Parking will be impossible on surrounding roads.

The *noise* and dust from Land Engineering and Pile Driving will affect you day and night. THUMP, THUMP, THUMP !!! The *air pollution* will be horrendous.

It's likely to add to the problems of flooding on Walkley Lane & The Greenway.

We will *lose this green open space* which we all need in such a *congested* town. PLEASE...
